

**The Satell Institute** (SI) is an independent, nonprofit, nonpartisan, fully endowed Think and Do Tank for Corporate Social Responsibility. It champions the interdependence of successful business organizations, the well-being of the communities they operate in, and the need they have for each other. SI is a *Collective Force of Businesses and Foundations Partnering with Nonprofits to Serve the Greater Good™*.

Businesses and Foundations initially become Corporate Affiliate Members of SI by agreeing to support one or more nonprofit organizations of their choice with a four-year financial commitment of at least \$25,000 a year (\$100,000 over four years) to each nonprofit chosen, to be paid in approximately the same month each year. Originally, this can be a new commitment, or the three-year extension of a one-year existing pledge, consistent with the rules of SI. In recognition of the commitment(s) to nonprofit(s) listed below,

ORGANIZATION NAME: \_\_\_\_\_ is now recognized as a Corporate Affiliate Member of the Satell Institute with all rights of membership. As always, there are no administrative fees or other costs of membership. 100% of your funds go directly from your organization to the nonprofit(s) you choose. No funds come to or pass through the Satell Institute. The Nonprofits you select become Nonprofit Affiliate Members of SI as well. A Welcome Letter will be sent to you shortly, along with electronic copy of the letter(s) sent to your supported nonprofit(s) to welcome them. These go out several days later, after you have reviewed them. Welcome, new Member!
